## Introduction

Le dossier scientifique comprend une liste non exhaustive de références bibliographiques relatives à des articles de revues scientifiques et des chapitres de livres sur la thématique du suicide. Les travaux scientifiques cités sont accessibles directement en cliquant sur la référence.

Chaque document a fait l'objet d'une lecture approfondie par Un pass dans l'impasse et a été sélectionné pour sa pertinence dans le cadre de la compréhension de la problématique suicidaire.

Le dossier scientifique est actualisé une fois par année. Les références scientifiques proposées dans les dossiers scientifiques antérieurs restent disponibles sur le site internet d'Un pass dans l'impasse dans les archives.

## Thématiques abordées

- Impact et coût économique d'un suicide.
- La question du suicide relaté dans les médias.
- Moyens létaux.
- Prévention du suicide au sens large.
- Suicide chez les adolescents.
- Suicide, question de genre et public LBTQ+.
- La place de l'intelligence artificielle dans la prévention du suicide.
- Evolution de la société : les tournants sociétaux à prendre en considération dans le cadre de la prévention du suicide.

## Le mode de collecte des données

Les données sont collectées par Un pass dans l'impasse sur base d'indicateurs prédéfinis quant à la problématique du suicide au sein de diverses bases de données scientifiques officielles.

Les articles sélectionnés pour leur pertinence sont ensuite ajoutés à la bibliographie du Centre de référence de prévention du suicide d'Un pass dans l'impasse et mis à disposition des professionnels.
